Welcome

Wheeler District is a growing community situated on the south bank of the Oklahoma River. The modern development offers a broad range of housing and encourages residents to walk or bicycle to school, work, dining and beyond. The district enhances Oklahoma City's dynamic core and offers visitors retail and restaurants, a park, the historic Santa Monica Ferris wheel and more. Learn more at wheelerdistrict.com.

Vision Takes Shape

- 2006**
We bought the land.
- 2014**
Public charrette held to capture what people are seeking from a new urban neighborhood.
- 2016**
Ferris Wheel became an instant OKC landmark and gathering place in our city.
- 2017**
Our public private partnership became official to continue to build infrastructure, utilities, and other resources.
- 2018**
Started building geothermal homes, walkable streets and sidewalks – a neighborhood!
- 2019**
Sold our first house with over a hundred more homeowners since then.
- 2020**
Saw the opening of our first shops, eateries, breweries, and office spaces.
- 2021**
The district continues to grow with the opening of an elementary school and Phase Two construction.
- 2022 & Beyond**
The creation of a entirely new urban district – Wheeler, a place people love.

Our Community

A growing community in the heart of OKC

RANGE OF HOUSING

Wheeler District features a range of housing options for those who want the convenience and quality of a newly constructed home connected to the amenities and activities of Oklahoma City's dynamic urban core.

SHOPS, EATERIES & BUSINESSES

Wheeler represents the creation of an entirely new urban district. A mix of live/work/play spaces like shops, a brewery, restaurants, offices, and small businesses creating a connected and vibrant community.

THE FERRIS WHEEL

Rescued from the Santa Monica Pier and brought to Oklahoma City, the Ferris Wheel has become an instant landmark and gathering place in our city. The Wheel is a destination for locals and tourists, neighbors and visitors, young and old alike.
